INDEPENDENT AUDITORS' REPORT

Honorable Mayor and City Council
City of Iola, Kansas

We have audited the accompanying fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances of City of Iola, Kansas, a municipality, as of and for the year ended December 31, 2013, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the Kansas Municipal Audit and Accounting Guide as described in Note 1 to meet the financial reporting requirements of the State of Kansas; this includes determining that the regulatory basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and the Kansas Municipal Audit and Accounting Guide. Those standards require we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 1 of the financial statement, the financial statement is prepared by City of Iola, Kansas to meet the requirements of the State of Kansas on the basis of the financial reporting provisions of the Kansas Municipal Audit and Accounting Guide, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

The effects on the financial statement of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Opinion on Regulatory Basis of Accounting

In our opinion, the financial statement referred to above presents fairly, in all material respects, the aggregate cash and unencumbered cash balance of City of Iola, Kansas as of December 31, 2013, and the aggregate receipts and expenditures for the year then ended in accordance with the financial reporting provisions of the Kansas Municipal Audit and Accounting Guide described in Note 1.

Report on Supplemental Information

Our audit was conducted for the purpose of forming an opinion on the fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances (basic financial statement) as a whole. The summary of regulatory basis expenditures-actual and budget, individual fund schedules of regulatory basis receipts and expenditures-actual and budget, schedule of regulatory basis receipts and disbursements-agency funds (Schedules 1, 2 and 3 as listed in the table of contents) are presented for analysis and are not a required part of the basic financial statement, however, are required to be presented under the provisions of the Kansas Municipal Audit and Accounting Guide. The schedule of expenditures of federal awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations, and is also not a required part of the basic financial statements.

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statement. The information has been subjected to the auditing procedures applied in the audit of the basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statement or to the basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statement as a whole, on the basis of accounting described in Note 1.

The 2012 Actual column presented in the individual fund schedules of regulatory basis receipts and expenditures – actual and budget (Schedule 1 as listed in the table of contents) is also presented for comparative analysis and is not a required part of the 2013 basic financial statement upon which we rendered an unmodified opinion dated May 10, 2013. The 2012 basic financial statement and our accompanying report are not presented herein, but are available in electronic form from the web site of the Kansas Department of Administration at the following link <http://da.ks.gov/ar/muniserv/>. Such 2012 comparative information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2012 basic financial statement. The 2012 comparative information was subjected to the auditing procedures applied in the audit of the 2012 basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2012 basic financial statement or to the 2012 basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the 2012 comparative information is fairly stated in all material respects in relation to the 2012 basic financial statement as a whole, on the basis of accounting described in Note 1.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated April 17, 2014, on our consideration of the City of Iola, Kansas' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City of Iola, Kansas' internal control over financial reporting and compliance.

CITY OF IOLA, KANSAS

Notes to Financial Statement
For the Year Ended December 31, 2013

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statement and schedules of the City of Iola, Kansas, have been prepared in order to show compliance with the cash basis and budget laws of the State of Kansas. The Governmental Accounting Standards Board is the principal standard-setting body for establishing governmental accounting and financial reporting principles. The more significant of the City's accounting policies follow. Note 1 describes how the City's accounting policies differ from generally accepted accounting policies.

Reporting Entity

The City of Iola is a municipal corporation governed by an elected nine-member council. This financial statement presents the City of Iola.

Related Municipal Entities: A related municipal entity is determined by the following criteria. Whether the City exercises oversight responsibility on financial interdependency, selection of governing authority, designation of management, ability to significantly influence operations and accountability for fiscal matters, scope of the public service, and significant operational or financial relationships with the City. Related municipal entities are not required to be included in the City's audit by the Kansas Municipal Audit and Accounting Guide (KMAAG). Based upon the application of this criterion, the following is a brief review of potential related municipal entities:

Iola Public Library – The City of Iola Library Board operates the City's public library. Acquisition or disposition of real property or bond issuances must be approved by the City. Separate financial statements are prepared and are available at the Iola Public Library.

The Housing Authority – The Housing Authority of the City of Iola, Kansas operates the City's housing projects. The Housing Authority can sue and be sued, and can buy, sell, or lease real property. Bond ordinances must be approved by the City. Separate financial statements are prepared and are available at the Housing Authority of the City of Iola, Kansas.

Regulatory Basis Fund Types

A fund is defined as an independent fiscal and accounting entity with a self-balancing set of accounts recording cash and other financial resources, together with all related liabilities and residual equities or balances, and changes therein, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations. The following types of funds comprise the financial activities of the City of Iola, Kansas, for the year of 2013:

General fund – the chief operating fund. Used to account for all resources except those required to be accounted for in another fund.

Special Purpose fund – used to account for the proceeds of specific tax levies and other specific revenue sources (other than Capital Project and tax levies for long-term debt) that are intended for specified purposes.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Regulatory Basis Fund Types (Continued)

Capital Project fund – used to account for the debt proceeds and other financial resources to be used for acquisition or construction of major capital facilities or equipment.

Business fund – funds financed in whole or in part by fees charged to users of the goods or services (i.e. enterprise and internal service fund etc.)

Trust fund – funds used to report assets held in trust for the benefit of the municipal financial reporting entity (i.e. pension funds, investment trust funds, private purpose trust funds which benefit the municipal reporting entity, scholarship funds, etc.).

Agency fund – funds used to report assets held by the municipal reporting entity in a purely custodial capacity (payroll clearing fund, county treasurer tax collection accounts, etc.).

Basis of Accounting – Regulatory Basis of Accounting

Regulatory Basis of Accounting and Departure from Accounting Principles Generally Accepted in the United States of America

The KMAAG regulatory basis of accounting involves the recognition of cash, cash equivalents, marketable investments, and certain accounts payable and encumbrance obligations to arrive at a net unencumbered cash and investments balance on a regulatory basis for each fund, and the reporting of changes in unencumbered cash and investments of a fund resulting from the difference in regulatory basis revenues and regulatory basis expenditures for the fiscal year. All recognized assets and liabilities are measured and reported at cost, unless they have been permanently impaired and have no future cash value or represent no future obligation against cash. The KMAAG regulatory basis does not recognize capital assets, long-term debt, accrued receivables and payables, or any other assets, liabilities or deferred inflows or outflows, other than those mentioned above.

The municipality has approved a resolution that is in compliance with K.S.A. 75-1120a(c), waiving the requirement for application of generally accepted accounting principles and allowing the municipality to use the regulatory basis of accounting.

Property Taxes

In accordance with governing state statutes, property taxes levied during the current year are a revenue source to be used to finance the budget of the ensuing year. Taxes are assessed on a calendar year basis and become a lien on the property on November 1st of each year. The County Treasurer is the tax collection agent for all taxing entities within the County. Property owners have the option of paying one-half or the full amount of taxes levied on or before December 20 during the year levied with the balance to be paid on or before May 10 of the ensuing year. State statutes prohibit the County Treasurer from distributing taxes collected in the year levied prior to January 1st of the ensuing year. Consequently, for revenue recognition purposes, taxes levied during the current year are not due and receivable until the ensuing year. At December 31, such taxes are a lien on the property.

Pension Plan

Substantially all full-time City employees are members of the State of Kansas Public Employees Retirement System which is a multi-employer, state-wide pension plan. The City's policy is to fund all pension costs accrued; such costs to be funded are actuarially determined annually by the State of Kansas.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Special Assessments

Kansas statutes require projects financed in part by special assessments to be financed through the issuance of general obligation bonds which are secured by the full faith and credit of the City. Special assessments paid prior to the issuance of general obligation bonds are recorded as revenue in the appropriate project. Special assessments received after the issuance of general obligation bonds are recorded as revenue in the bond and interest fund. Further, state statutes require levying additional general ad valorem property taxes in the City bond and interest fund to finance delinquent special assessments receivable.

Reimbursed Expenses

K.S.A. 79-2934 provides that reimbursed expenditures, in excess of those budgeted, should be recorded as reductions in expenditures rather than as revenues. In the financial statement and budget comparison schedules presented in this report, reimbursements and refunds are recorded as revenues. The reimbursements are recorded as cash receipts when received by the City Treasurer and are often difficult to identify the exact expenditure which they are reimbursing. In funds showing expenditures in excess of the original adopted budget, reimbursements are added to the adopted budget as budget credits for comparison with the actual expenditures.

Budgetary Information

Kansas statutes require that an annual operating budget be legally adopted for the general fund, special purpose funds (unless specifically exempted by statute), bond and interest funds, and business funds. Although directory rather than mandatory, the statutes provide for the following sequence and timetable in the adoption of the legal annual operating budget:

1. Preparation of the budget for the succeeding calendar year on or before August 1st.
2. Publication in local newspaper on or before August 5th of the proposed budget and notice of public hearing on the budget.
3. Public hearing on or before August 15th, but at least ten days after publication of notice of hearing.
4. Adoption of the final budget on or before August 25th.

The statutes allow for the governing body to increase the originally adopted budget for previously unbudgeted increases in revenue other than ad valorem property taxes. To do this, a notice of public hearing to amend the budget must be published in the local newspaper. At least ten days after publication the hearing may be held and the governing body may amend the budget at that time. During the year ended December 31, 2013, the City amended the General Fund, Tourism and Convention Fund, Stores Fund, and Solid Waste Utility Fund.

The statutes permit transferring budgeted amounts between line items within an individual fund. However, such statutes prohibit expenditures in excess of the total amount of the adopted budget of expenditures of individual funds. Budget comparison schedules are presented for each fund showing actual receipts and expenditures compared to legally budgeted receipts and expenditures.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

All legal annual operating budgets are prepared using the regulatory basis of accounting, in which, revenues are recognized when cash is received and expenditures include disbursements, accounts payable, and encumbrances, with disbursements being adjusted for prior year's accounts payable and encumbrances. Encumbrances are commitments by the municipality for future payments and are supported by a document evidencing the commitment, such as a purchase order or contract. Any unused budgeted expenditure authority lapses at year-end.

Spending in funds which are not subject to the legal annual operating budget requirement is controlled by federal regulations, other statutes, or by the use of internal spending limits established by the governing body.

2. STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY

Compliance with Kansas Statutes

Statement 1 and Schedule 1 have been prepared in order to show compliance with the cash basis and budget laws of Kansas. As shown in Statement 1 and Schedule 1, the City was in apparent compliance with Kansas cash basis and budget laws.

3. DEPOSITS AND INVESTMENTS

K.S.A 9-1401 establishes the depositories which may be used by the City. The statute requires banks eligible to hold the City's funds have a main branch or branch bank in the county in which the City is located, or in an adjoining county if such institution has been designated as an official depository, and the banks provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the banks to pledge securities for deposits in excess of FDIC coverage. The City has no other policies that would further limit interest rate risk.

K.S.A 12-1675 limits the City's investment of idle funds to time deposits, open accounts, and certificates of deposit with allowable financial institutions; U.S. Government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The City has no investment policy that would further limit its investment choices.

Concentration of credit risk. State statutes place no limit on the amount the City may invest in any one issuer as long as the investments are adequately secured under K.S.A. 9-1402 and 9-1405.

Custodial credit risk – deposits. Custodial credit risk is the risk that in the event of a bank failure, the City's deposits may not be returned to it. State statutes require the City's deposits in financial institutions to be entirely covered by federal depository insurance or by collateral held under a joint custody receipt issued by a bank within the State of Kansas, the Federal Reserve Bank of Kansas City, or the Federal Home Loan Bank of Topeka. All deposits were legally secured at December 31, 2013.

At year-end, the City's carrying amount of deposits was \$9,267,907.92 and the bank balance was \$9,336,638.63. The bank balance was held by one bank resulting in a concentration of credit risk. Of the bank balance, \$252,376.37 was covered by FDIC insurance, and \$9,084,262.26 was collateralized with securities held by the pledging financial institution's agents in the City's name.

4. LONG-TERM DEBT

Changes in long-term debt for the City for the year ended December 31, 2013, were as follows:

Issue	Interest Rates	Date of Issue	Original Amount of Issue	Date of Final Maturity	Balance Beginning of Year	Additions	Reductions/ Payments	Balance End of Year	Interest Paid
General Obligation Bonds Paid by Utility Receipts: Series 2012	1.5-2.75%	September 27, 2012	\$ 7,550,000.00	August 1, 2025	\$ 7,320,000.00	\$ -	\$ (525,000.00)	\$ 6,795,000.00	\$ 151,322.50

									\$ 10,738,269.25

5. INDUSTRIAL REVENUE BONDS

The City has entered into various agreements to induce businesses to locate or expand operations in Iola, Kansas. In connection therewith, the City has issued industrial revenue bonds (IRB's) which require the businesses to make lease payments to trust accounts sufficient to pay debt service on the IRB's. The City is under no obligation to pay the IRB debt, which is to be paid from the lease payments made by the related businesses. At December 31, 2013, there were eight industrial revenue bond issues with principal balances due totaling \$4,486,414.35.

6. DEFINED BENEFIT PENSION PLAN

Plan description. The (non-school municipality) participates in the Kansas Public Employees Retirement System (KPERS). It is part of a cost-sharing, multiple-employer defined benefit pension plan as provided by Kansas law. KPERS provide retirement benefits, life insurance, disability income benefits, and death benefits. Kansas law establishes and amends benefit provisions. KPERS issue a publicly available financial report (only one is issued) that includes financial statements and required supplementary information. Those reports may be obtained by writing to KPERS (611 South Kansas, Suite 100, Topeka, KS 66603) or by calling 1-888-275-5737.

Funding Policy. K.S.A. 74-4919 and K.S.A. 74-49,210 establishes the KPERS member-employee contribution rates. Effective July 1, 2009, KPERS has two benefit structures and funding depends on whether the employee is a Tier 1 or Tier 2 member. Tier 1 members are active and contributing members hired before July 1, 2009. Tier 2 members were first employed in a covered position on or after July 1, 2009. Kansas law establishes the KPERS member-employee contribution rate at 4% of covered salary for Tier 1 members and at 6% of covered salary for Tier 2 members. K.S.A. 74-4975 establishes. The employer collects and remits member-employee contributions according to the provisions of Section 414(h) of the Internal Revenue Code. Kansas law provides that employer contribution rates be determined annually based on the results of an annual actuarial valuation. KPERS is funded on an actuarial reserve basis. Kansas law sets a limitation on annual increases in the employer contribution rates. The City's employer contribution to KPERS for the year ending December 31, 2013 was \$386,768.16 equal to the statutory required contributions for the year.

7. ECONOMIC DEPENDENCY

During 2013, the City collected 15.32% of its electric utility revenues and 13.78% of its gas utility revenues from Gates Rubber Company. The City also collected 14.76% of its electric utility revenues and 15.96% of its gas utility revenues from Russell Stover Candies.

8. OTHER LONG-TERM OBLIGATIONS FROM OPERATIONS

Other Post Employment Benefits

As provided by K.S.A. 12-5040, the local government allows retirees to participate in the group health insurance plan. While each retiree pays the full amount of the applicable premium, conceptually, the City is subsidizing the retirees because each participant is charged a level of premium regardless of age. However, the cost of this subsidy has not been quantified in these financial statements.

8. OTHER LONG-TERM OBLIGATIONS FROM OPERATIONS (Continued)

Other Post Employment Benefits (Continued)

Under the consolidated Omnibus Budget Reconciliation Act (COBRA), the City makes health care benefits available to eligible former employees and eligible dependents. Certain requirements are outlined by the Federal government for this coverage. The Premium is paid in full by the insured. There is no cost to the City under this program.

Compensated Absences

Regular full time employees who work 2080 hours per year (except meter reader) may accumulate up to 200 hours of vacation based upon the following schedule:

<u>Years of Employment</u>	<u>Accrued Vacation Time</u>	<u>Hours Accrued Per Pay Period</u>
1 - 9	10 days per year	3.08
10 - 19	15 days per year	4.62
20 and Over	20 days per year	6.15

Non-exempt Police Department employees who work 2184 hours per year may accumulate up to 212.50 hours of vacation based upon the following schedule:

<u>Years of Employment</u>	<u>Accrued Vacation Time</u>	<u>Hours Accrued Per Pay Period</u>
1 - 9	10 days per year	3.27
10 - 19	15 days per year	4.92
20 and Over	20 days per year	6.89

Non-exempt Fire Department employees who work 2920 hours per year may accumulate up to 360 hours of vacation based upon the following schedule:

<u>Years of Employment</u>	<u>Accrued Vacation Time</u>	<u>Hours Accrued Per Pay Period</u>
1 - 9	144 hours per year	5.54
10 - 19	216 hours per year	8.31
20 and Over	288 hours days per year	11.07

Any accumulation in excess of the maximum must be used or it will be forfeited. Upon termination of employment, an employee will be paid for accrued but unused vacation time.

Regular full time employees who work 2080 hours per year accrue 3.08 hours of sick leave for each 80 hour pay period worked up to a maximum of 10 days or 80 hours per year. These employees may accumulate up to 960 hours of sick time.

Non-exempt Police Department employees who work 2184 hours per year accrue 3.23 hours of sick leave for each pay period worked up to a maximum of 84 hours per year. These employees may accumulate up to 1020hours of sick time.

Regular full time employees who work 2920 hours per year accrue 5.50 hours of sick leave for each pay period worked up to a maximum of 144 hours per year. These employees may accumulate up to 1365 hours of sick time.

Meter Reader is a salaried position and is exempt from sick, vacation, personal, holiday, jury duty, and bereavement leave.

8. OTHER LONG-TERM OBLIGATIONS FROM OPERATIONS (Continued)

Compensated Absences (Continued)

The City accrues a liability for compensated absences which meet the following criteria:

1. The City's obligation relating to employees' rights to receive compensation for future absences is attributable to employees' services already rendered.
2. The obligation relates to rights that vest or accumulate.
3. Payment of the compensation is probable.
4. The amount can be reasonably estimated and, is material.

In accordance with the above criteria, the City has estimated a liability for annual leave which has been earned, but not taken, by City employees. The estimated liability for accrued annual leave at December 31, 2013, was \$236,099.07. The City has not estimated a liability for sick leave earned, but not taken, by City employees, as the amounts cannot be reasonably estimated.

9. RISK MANAGEMENT

The City is exposed to various risks of loss related to torts; theft of, damage to, or destruction of assets; errors and omissions; injuries to employees; employees health and life; and natural disasters. The City manages these risks of loss through the purchase of various insurance policies.

The City has established a Health Insurance Fund. The purpose of this fund is to provide for an employee welfare benefit plan for health insurance. Contributions from eligible employees and the City are deposited in the name of the plan, subject to withdrawal for purposes of paying approved claims and expenses. The City has contracted with Blue Cross Blue Shield of Kansas to be the claims supervisor. The supervisor reviews all claims for allowability and issues monthly reports to the City. The City has a stop-gap policy which pays any aggregate claims over \$50,000.00.

10. CAPITAL PROJECTS

At year end, capital projects authorizations, with approved change orders, compared with expenditures from inception are as follows:

<u>PROJECT NAME</u>	<u>EXPENDITURES TO DATE</u>	<u>PROJECT AUTHORIZATION</u>	<u>EXPECTED COMPLETION DATE</u>
Housing Rehabilitation Grant	\$ 388,244.00	\$ 400,000.00	Complete
State Street Sidewalk	14,510.22	80,000.00	2015
Tourism Signage	27,754.35	66,500.00	2015
MOPAC Rail Trail	19,900.00	200,000.00	2015

11. INTERFUND TRANSFERS

Operating transfers were as follows:

<u>From Fund:</u>	<u>To Fund:</u>	<u>Statutory Authority</u>	<u>Amount</u>
General	Equipment Reserve	K.S.A. 12-1,117	\$ 94,150.50
Electric Utility	General	K.S.A. 12-825d	1,080,000.00
Electric Utility	Special Parks and Recreation	K.S.A. 12-825d	240,000.00

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED
ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

Honorable Mayor and City Council
City of Iola, Kansas

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the City of Iola, Kansas, as of and for the year ended December 31, 2013, and the related notes to the financial statements, which collectively comprise City of Iola, Kansas' basic financial statements, and have issued our report thereon dated April 17, 2014.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered City of Iola, Kansas' internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of City of Iola, Kansas' internal control. Accordingly, we do not express an opinion on the effectiveness of City of Iola, Kansas' internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether City of Iola, Kansas' financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH
MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE
REQUIRED BY OMB CIRCULAR A-133**

Honorable Mayor and City Council
City of Iola, Kansas

Report on Compliance for Each Major Federal Program

We have audited City of Iola, Kansas' compliance with the types of compliance requirements described in the OMB Circular A-133 Compliance Supplement that could have a direct and material effect on each of City of Iola, Kansas' major federal programs for the year ended December 31, 2013. City of Iola, Kansas' major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of City of Iola, Kansas' major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about City of Iola, Kansas' compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of City of Iola, Kansas' compliance.

Opinion on Each Major Federal Program

In our opinion, City of Iola, Kansas, complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2013.

Report on Internal Control Over Compliance

Management of City of Iola, Kansas, is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered City of Iola, Kansas' internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of City of Iola, Kansas' internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Purpose of this Report

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.

None

CITY OF IOLA, KANSAS

Summary Schedule of Prior Audit Findings
For the Year Ended December 31, 2013

Finding 2012-001 – Improper Classification of Transactions

Condition: During our audit testing it was noted the City is not tracking and properly reporting accounts payable and encumbrances. Kansas statutes require the City to track and report unencumbered cash on an on-going basis.

Status: The City has implemented policies and procedures and additional training for staff to ensure that accounts payable and encumbrances are being recorded and unencumbered cash is being reported.
