**PHYSICAL DEMANDS**

The physical demands described here are representative of those that must be met by employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions. While performing the job duties, the employee is often required to stand; walk; use hands to finger, handle, or operate objects, tools, or controls; and reach with hands and arms. The employee is occasionally required to sit; climb or balance; stoop, kneel, crouch, or crawl; talk or hear; and taste or smell. The employee must frequently lift and/or move up to 50 pounds and occasionally lift and/or move up to 200 pounds with assistance from other employees. Specific vision abilities required by this job include close vision, distance vision, color vision, peripheral vision, depth perception, and the ability to adjust focus.

**WORK ENVIRONMENT**

The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions. While performing the duties of this job, the employee regularly works in outside weather conditions. The employee occasionally works near moving mechanical parts and in high, precarious places and is occasionally exposed to wet and/or humid conditions, fumes or airborne particles, toxic or caustic chemicals, risk of electrical shock, and vibration. The noise level in office settings is normally quiet; in the work environment it is usually moderate, except during certain firefighting or EMS activities when noise levels may be loud to very loud.

**SELECTION GUIDELINES**

Formal application, rating of education and experience; oral interview and reference check; job related tests, background check; physical agility; drug screening; final selection and pre-employment medical examination may be required. NOTE: appointees will be subject to completion of a standard probationary period. The duties listed above are intended only as illustrations of the various types of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related or a logical assignment to the position. The job description does not constitute an employment agreement between the employer and employee and is subject to change by the employer as the needs of the employer and requirements of the job change.
